Electricity Tariffs and Charges

The tariffs, charges and prices for the supply of Electricity which apply as from April 2026, are detailed below:

Tariff No.	Tariff Cost	Flexible Cost Adjustment (per Unit)	Standing Charge	Weekly Meter Levy
1 - Lighting	£0.179 per Unit	£0.058	£5.80	£1.00
2 – Power	£0.158 per Unit	£0.058	£11.61	£1.00
3 – Domestic	£0.119 per Unit	£0.058	£5.80	£1.00
4 - Commercial	£0.119 per Unit	£0.058	£8.12	£1.00

Flexible Cost Adjustment:

The price set for the Flexible Cost Adjustment shall be adjusted upwards or downwards by such amount or such method as H.M. Government of Gibraltar, having regards to the fluctuating cost of generating or supplying Electricity, may prescribe.

With effect from August 2026, the following fees and charges apply:

Application Fee:

The Application Fee is currently set at £37.50.

Deposit:

The Deposit payable for Tariff 3 – Domestic is currently set at £37.50.

The Deposit payable for all other Tariff's, is based on either historical usage or information on load requirements provided by your Electrical Contractor.

After Hours Service Fee:

The After Hours Service is an option available to those Customers submitting Applications for properties at which the Electricity Supply has been disconnected, and are unable to wait until the next available Electrical Installation Inspection Appointment date to have their Electricity Supply connected.

The After Hours Service Fee is currently set at £62.50.

Administration Fee:

Where the supply of Electricity has been discontinued under Section 19 of the Gibraltar Electricity Authority Act 2003, an Administration Fee of £37.50 shall be paid by the Customer before the Electricity Supply is restored.
